5. It was highlighted by Dr. Dharmendra Singh Gangwar, Additional Secretary & Financial Advisor( AS& FA) that State /UT Governments has to fulfill the conditionality's of PFMS implementation at the earliest, so that grant-in-aid may be released to them. Further, AS & FA has stated that as per the directions issued by the Department of Expenditure on 23<sup>rd</sup> March, 2021, it is recommended to release only 25% of the total sanctioned amount of approved SAAP by deducting the unspent amount lying with the States/UTs against previous released grants.

6. In this regard, Secretary (AYUSH) has highlighted that the Cabinet approval for continuation of NAM from 01-04-2021 to 31-3-2021 has been recently obtained on 14<sup>th</sup> July 2021. Further, he has also highlighted that as per direction of the Department of Expenditure circulated in 23<sup>rd</sup> March 2021, and July 2021 Ministry is continuously following up the matter of implementation of PFMS with the State/UT Governments. Since these guidelines came recently, majority of States/UTs could not complete all the processes regarding implementation of PFMS and as assured by them it will take some more time. In view of these bottlenecks, Ministry was unable to release Grant in aid in the first quarter. However, with the continuous follow up with the States/UTs, most of the States/UTs are coming into stage of full compliance to the PFMS guidelines. Therefore, it would be essential to consider the left out 25% of release from the first quarter along with the 25% of release of second quarter and agree for release of 50% of approved amount to the States/UTs. This will enable them to implement expeditiously all the approved activities.

7. Accordingly, Mission Directorate decided that till 30<sup>th</sup> September 2021 approval for release of 50% of grant in aid of the total approved amount under NAM may be made. If required, the proposal may also be sent to Department of Expenditure with appropriate justification.

The meeting ended with vote of thanks.
